

For The Love of Coffee

*90-minute Coffee Workshop
Burgie's Roast Lab (2214 229th Place) in Ames*

Join the Burgie's Coffee team for a journey of discovery, where you will explore the history, culture and wonder of the most consumed beverage in the world: COFFEE!

This workshop includes the following:

A Brief History: A fascinating history of coffee from its origin in 850 AD Ethiopia with Kaldi and the dancing goats all the way through to the 22-year history of Burgie's Coffee Company established in 1992 in Ames, Iowa.

For the Love of Coffee Video: This video features the entire process from crop to cup, including the growing, cultivating, picking, roasting and brewing processes.

The Roasting Process: Burgie's will show you the roasting process, demonstrating the amazing transformation of coffee beans, which are crafted with time, temperature and a skilled roaster.

The Cupping Process: Learn how to identify excellent coffee and educate your palate to a wonderful sensory experience. Fresh roasted Arabica coffee beans have amazing flavor notes and aromas that come out in the cupping process.

Brewing Excellent Coffee at Home: Burgie's will teach you how to brew excellent coffee at home including, the importance of using fresh roasted Arabica coffee, filtered water, brewing temperature, grind, storage and various brewing processes (French Press, Chemex and cold pressed coffee).

Each participant will leave with a bag of fresh roasted Burgie's Coffee.
